

Guide to our Services

We're here for everyone affected by cardiomyopathy.

We're the specialist charity for people affected by cardiomyopathy. Although the condition can be life-changing, with the right treatment and support people can feel empowered to face and overcome challenges.

Whether you're looking for information to understand the condition or would like to speak to someone who understands what you're going through, we're here for you. Whatever stage you're at in your cardiomyopathy journey, you can come to us.

Speak to a Specialist Cardiac Nurse

Our Cardiomyopathy UK Specialist Nurses are here to listen, answer your questions and share their expertise for as long as you need.

Our nurses are available:
Monday to Friday 8:30am - 4:30pm

 **0800 018 1024**

 **supportnurse

Emotional Support

We've created spaces for people to come together to share experiences, speak openly about challenges and share information. These include:

Regional Support Groups (In person & online)

Closed Facebook Groups

Online Communities (Coffee & Catch Up)

Health and Wellbeing Programme

Telephone Peer Support

Information & Webinars

We run a regular series of webinars where you can hear from experts on a variety of topics, including different types of cardiomyopathy and common challenges.

Our YouTube channel offers a variety of feature-length and bite-size learning taken from leading Cardiomyopathy Specialists. We regularly post to the channel, supporting you on your cardiomyopathy journey to become an Expert Patient.
